【 9/1 (Sun.) Drill Details and Schedule 】

Main drill details	Site	9:00	9:30	10:00	10:30	11:00	11:30	12:00	12:30
Resident evacuation drill									
Shake Out drill	All sites								
Self and mutual help drill etc.	Parthenon Main Street, etc.								
Emergency-transportation-route securing drill	Tama New Town Street								
Medical relief drill	Around Kirameki no Ike								
Rescue and relief activity drill	Tama Central Park								

* There will also be an evacuation-site running drill, emergency-supply

* Drill times might be changed depending on the weather.

Let's use "Yellow garbage bags" for safety confirmation drill!

We'll use *yellow garbage bags* (Tama-specified garbage bags for *burnable garbage and dirty plastic*) as a symbol to indicate *safety*!

During the cleaning and other local events, you can present your yellow garbage bag and participate to help us conduct a safety confirmation drill at the same time!

The bands of the Japan Self-Defense Forces, Metropolitan Police Department, and Tokyo Fire Department will also participate in a disaster prevention parade!

You can also participate in Shake Out drill! Easily!!

Let's try out the *three safety actions* with your family, at your workplace, or elsewhere!

Date and time September 1, 2019 (Sun.) 9:30

* If implementation at the above date and time is difficult, feel free to conduct the drill at any time from September 1 to 8.

Location Conduct the drill at each home, workplace, etc. This drill will also be conducted at a site near Tama-Center Station.
* To ensure safety, please do not conduct this drill while moving by car, on foot.

Details At 9:30, protect yourself from the shaking of the earthquake by taking the safety actions. (Drop, cover your head, and hold on.)

For details, see the Tama website (<http://www.city.tama.lg.jp/>). You can also register for participation from this website.

Feel free to participate in the drill by using our earthquake-disaster-prevention-drill app

If you have a smartphone, you can use our earthquake-disaster-prevention-drill app to conduct the drill. If you download the app and then set the drill date and time, the Earthquake Early Warning buzzer will sound at that date and time.

Step 1: Download the earthquake-disaster-prevention-drill app.

(Search for "earthquake disaster prevention drill" on Google Play or the App Store, or scan the QR code under ①.)

Step 2: After downloading the app, launch it, and then follow the on-screen instructions to perform drill registration. To perform drill registration, scan the drill-registration QR code below (②).

Drill-registration QR code, etc.

Drill name: Shake Out drill

Drill date: 9:30 on September 1, 2019

* To conduct the drill at a different date and time, register the date and time.

Drill ID: 190019
